

Recommend Upgrade to Acrobat Reader Version 5.0.5 (or Latest Version) -
EXTREMELY IMPORTANT

It is important that all registered users of court public access, Case Management/Electronic Case Files, and Electronic Bankruptcy Noticing services ensure that they are using the latest version of Adobe Acrobat's free reader, Version 5.0.5. (or latest version).

If you do not upgrade, you may receive error messages when attempting to open a PDF file. Use of Acrobat Reader 5.0 will ensure that users will continue to enjoy accurate and problem-free viewing of electronic court documents as the judiciary continues to expand electronic services available.

To determine which version of Acrobat Reader is installed on your computer, and/or to upgrade to Version 5.0.5:

1. Launch Acrobat Reader.
2. Select "Help" menu option.
3. Select "About Acrobat Reader."

If you are using version 5.0.5, you do not need to make any changes.

If you are using version 4 or below, please visit Adobe's website (www.adobe.com) to download a free upgrade to the latest version of Acrobat Reader.
