Revisions to Bankruptcy Court Fee Schedule

At its September 2014 session the Judicial Conference approved revisions to the [Bankruptcy Court Miscellaneous Fee Schedule](#) effective today. The biggest change is the new fee of \$25.00 to file a motion to make redactions to previously filed documents in a bankruptcy case. The fee is intended to be charged for each motion filed in each affected case, but courts may waive the fee under appropriate circumstances. Also, the conference clarified that a fee will not be charged for reopening a closed case if redaction is the only reason for the reopening.
