Revisions to Bankruptcy Court Fee Schedule

At its September 2014 session the Judicial Conference approved revisions to the [Bankruptcy Court Miscellaneous Fee Schedule](#) effective December 1, 2014. The biggest change is the new fee of \$25.00 to file a motion to make redactions to previously filed documents in a bankruptcy case. The fee is intended to be charged for each affected case, but courts may waive the fee under appropriate circumstances. Also, the conference clarified that a fee will not be charged for reopening a closed case if redaction is the only reason for reopening the case.
