### **Supplements to Reaffirmation Agreements**

If a debtor needs to supplement a reaffirmation agreement to better set forth present income and expenses or to rebut the presumption of undue hardship, the debtor should file and serve on parties in interest a supplement that conforms to the sample at [Appendix 4M](#) attached to the [General Order Amending Local Bankruptcy Rule 4008-1 Pending Formal Promulgation](#). The supplement should be electronically filed using the CM/ECF event "Support Document" found under Bankruptcy - Other, linked to the reaffirmation agreement it supplements, and served on any party in interest who does not get electronic notice, which often includes the unrepresented creditor.
