Supplements to Reaffirmation Agreements

If a debtor needs to supplement a reaffirmation agreement to better set forth present income and expenses or to rebut the presumption of undue hardship, the debtor should file and serve on parties in interest a supplement that conforms to the sample at [Appendix 4L](#) of our local bankruptcy rules. The supplement should be electronically filed using the CM/ECF event "Support Document" found under Bankruptcy - Other, linked to the reaffirmation agreement it supplements, and served on parties in interest not receiving electronic notice, which usually includes the unrepresented creditor.
