New Form for Chapter 12 and Chapter 13 Plans

Just a reminder that Word and WordPerfect versions of the new local form for chapter 12 and chapter 13 plans are available on the Court's website. Versions for individual debtors and for joint debtors have been created. You will find them under the "Local Rules and Forms" heading, then "All Local Forms," and also in the News & Announcements section as part of the November 1, 2017 Bankruptcy ^{UP}date article.

If you have trouble getting a Word version of the plan to open cleanly, open it and then switch in "View" to "Edit Document." If you are still having trouble, please contact the Bankruptcy Clerk's office and we will e-mail a copy directly to you.

For those who practice bankruptcy law outside of South Dakota, following is a list of those districts using the national plan form (all the others are using a local form):

Northern District of Illinois
Northern District of Indiana
Northern District of Iowa
Southern District of Iowa
Western District of Kentucky
