### **CM/ECF Unavailable**

So that a server storage upgrade may be performed, our CM/ECF system will be unavailable on Sunday, June 17, 2018, from 9:00 a.m. until approximately 1:00 p.m. (Central time). We apologize for the inconvenience.

### **Microsoft Edge Browser**

A bug in the latest version of the Microsoft Edge browser (version 42.17134) may cause the browser to:

- (1) Insert random text characters into docket entries;
- (2) Invalidate search criteria; and
- (3) Negatively affect report results.

We recommend using another browser to access CM/ECF until this issue has been resolved. If you would like additional information on this issue, click on the link below.
