Change in Court Calendar for October 2019

The second telephonic hearing date for October 2019 has been changed from October 24 to October 31. Please note this change on your calendars.

Post-Petition Financial Management Course

After an individual debtor completes the required post-petition financial management course, either the counseling agency should electronically file the Certificate of Debtor Education or the debtor should sign and date a Certification About a Financial Management Course (Official Form 423), which the debtor's attorney should then electronically file. Because neither the debtor nor the debtor's attorney signs the Certificate of Debtor Education provided by the counseling agency, the debtor's attorney should **not** electronically file it.
