Third-Party Services and Access in CM/ECF

CM/ECF filers should be aware of the potential to inadvertently share restricted documents when using third-party services or software. Sharing your PACER account credentials with a third-party service provider or designating such a provider as a secondary recipient of a Notice of Electronic Filing or a Notice of Docket Activity (NEF/NDA) will give it access to sealed or restricted case information and documents in possible violation of a court order. You are urged to use caution in your computer security practices to ensure sealed or restricted documents to which you have access are not disclosed.
