

UNITED STATES BANKRUPTCY COURT
DISTRICT OF SOUTH DAKOTA

GENERAL ORDER REGARDING BANKRUPTCY
NOTICING CENTER SERVICE DISRUPTION

Due to a service disruption affecting the Bankruptcy Noticing Center ("BNC") beginning October 9, 2026, certain notices required in bankruptcy cases and proceedings have not been transmitted. The Court finds these circumstances constitute good cause for relief under Fed.R.Bankr.P. 9006; now, therefore,

IT IS HEREBY ORDERED no party shall be prejudiced by a failure to respond to a notice that was not served as a result of the BNC service disruption, subject to applicable law and further order of the Court.

IT IS FURTHER ORDERED upon the request of a party in interest in writing or orally at a hearing, or on its own initiative, the Court may extend or reset deadlines or continue hearings as necessary to address the BNC service disruption. All scheduled hearings shall proceed unless the Court orders otherwise.

IT IS FURTHER ORDERED during the BNC service disruption, a party seeking relief from the Court by motion, application, plan, or other request may elect, at its own expense, to provide any notice associated with such request that would otherwise be transmitted through the BNC, including voluntary service of the 341 meeting notice. The party making this election is designated and directed by the Court, pursuant to Fed.R.Bankr.P. 2002, to provide such notice in accordance with applicable law, including all requirements concerning the recipients, manner, and timing of the notice. The party must promptly file a certificate of service indicating the documents served, recipients and their current address, date, and method of service. Nothing herein requires a party to elect this procedure or alters any notice or service obligation otherwise imposed by applicable law, rule, or Court order.

IT IS FURTHER ORDERED this order shall remain in effect until further order of the Court.

So ordered: October 20, 2026.
